Prep Transition Days

Prep Transition Days provide an excellent introduction to our school not only for your child, but also for you. We will provide the children with the opportunity to become familiar with the school environment and the staff who they will be working with when they begin school. We also provide parents/carers with information about the school and how best to support your child as they embark on a new stage in their lives. Bring a hat, water bottle and fruit snack. Younger siblings are welcome too.

School Profile

Welcome to our friendly and inclusive Murphy's Creek State School community, where quality educational and social outcomes are our focus and where each and every student is important and valued.

Murphy's Creek State School is a co-educational primary school with a current enrolment of 37 students. It was established in 1870, and is located within a beautiful country setting at the foot of the Great Dividing Range near Toowoomba. We have a long and proud history of providing excellent educational opportunities and achieving positive learning outcomes for all students, through the dedicated and caring efforts of our highly experienced teaching and support staff.

Our focus on excellence in education is underpinned by our strong commitment to the achievement of quality relationships within our school. We encourage our students to participate actively, demonstrate responsibility and behave in a manner that shows respect for the rights of others.
